

NHA Year 7 Catch-Up Premium Report 2018-2019

The DfE has made available additional funds for improving the attainment of our disadvantaged students, known as the Year 7 Catch-Up Premium. The funds are primarily aimed at improving maths and English levels for pupils in Year 7. An allocation is made for every student who has not achieved National Expectation in reading and/or maths at Key Stage 2 as per the October school census.

This short report summarises how the previous year's funding was spent and how we intend to spend this year's funding. It also provides information on the outcomes of the spending and the improvements made amongst our students.
