

# Term 5 Newsletter 2021 – 2022

## *Message from Michelle Reysenn – Headteacher*

Dear Families

It may have been a short term, with a bank holiday, and two training days, but it has still been a term full of learning, progress, adventure, and experience; although for me, Covid has hit me for a second time. But this isn't about me...

There have been a wider range of evening trips on offer, including going to the cinema, playing snooker and pool, experiencing laser quest, and playing foot golf... yes foot golf!

The site continues to be improved and developed term on term, year on year, with new neon lights in the dining room, painted feature walls in classrooms, a revamped forest schools area, a freshly painted and serviced outdoor gym, and a refurbished indoor fitness suite with new equipment! Well-being for all continues to be a top priority!

During the day, pupils are continuing to access a range of educational opportunities, such as climbing, water safety at the lakes, sitting KS4 exams, developing resilience, practice D of E walks, and all of this on top of the normal curriculum!

And of course, Ofsted came. But this time, it was to inspect the Quality of Education and Safeguarding. Although I cannot publicly announce the outcome, the process was thorough, useful, and will enable us to further improve what we do. Our inspectors worked with us effectively, and enabled us to continue with the safe running of the academy during their visit. All staff would like to wish them thanks for their help and support, and professional and supportive manner in which they worked.

So as we come to the end of term 5, let us remember one thing. Working together will ALWAYS be in the best interest of the young people. Being open and honest with each other, sharing challenges, and finding solutions together.

Together, **WE** are stronger!

Happy May Half Term! Enjoy the Jubilee celebrations!

Michelle Reysenn  
Headteacher

# Term 5 WINNERS!

## Green Token Winners

David      Max  
Josh IF    Leo N  
Natal

## 100% Attendance

David	Owen
Theo	Jonah
Bennito	Reagan
Rio	Josh IF
Brandon	Phin
Connor M	Mason
Junior	Charlie
Tom	Drew
Connor W	Max
Patrik	

## Attendance: 95% & Above

Jack GO  
Jack J  
Cameron

## Subject Winners

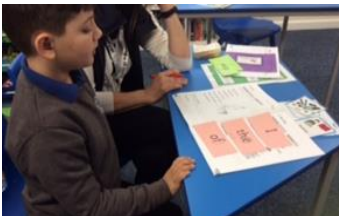

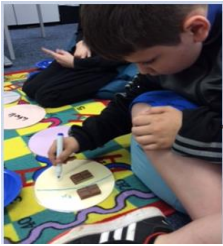

English – Brandon, Josh IF, Patrik, Anthony, Charlie  
Maths – Phin, Max, Cameron, Kai  
Science - Thomas  
Art – Charlie, Patrik  
PE – Charlie, Owen, Reagan  
PSHE – Brandon  
Reading – Leo N, Taylon  
Cooking – Drew  
Humanities – David  
Outdoor Education – Maty

# PEWSEY & DEVIZES

## Term 5 with Sarah, Natalie, Amy, Steve & Thani

This term in Primary we have been learning about fractions and doing lots of practical activities in our maths lessons. Learning to find fractions of a set of objects was especially fun when we used sweets and shaving foam! We can now recognise  $\frac{1}{4}$ ,  $\frac{1}{2}$  and a whole.

We have been continuing with our new reading programme and making really good progress with our speedy sounds. We enjoy reading a new story every other day.

Every week we have fun exploring our local area, going for walks and this term discovering the signs of Spring. We have seen lambs and calves in the fields and visited a farm where we fed the baby animals. It was lovely to see goats, pigs, sheep and cows.

On our trip last week, a pupil helped a dog owner to retrieve his pet dog who was running away. He was rewarded for his kindness with a BIG chocolate bar!

During our PSHE lessons this term, we learnt about St George the Patron Saint of England. We took part in a competition to design and make the English flag. Our flags were pretty amazing!

We have many exciting adventures planned for Term 6 where we will be exploring our local community more and hopefully enjoying some warmer weather.

Have a lovely half term, enjoy the break!

# BROAD TOWN

Term 5 with Helen, Nat & Tiff

We have had a great term 5, the weather has been glorious!

*In maths, we have been focusing on angles. We have learnt the names of all angles and their variances. We have learnt to measure and draw angles. We have also calculated and problem solved missing angles in a right angle, straight lines and circles.*

*In English, our focus has been on playscripts. All pupils have shown a very positive attitude and have played an excellent part in being characters in various playscripts. We have also made comparisons between playscripts and novels, made predictions and analysed characters from each.*

This term the boys have been making the most of the weather and enjoying having football matches with the rest of the school. Swimming lessons on a Thursday have also continued, with all the boys making great progress.

In cooking the theme has been '30 minute meals'. The boys have made chilli, macaroni cheese, spaghetti with meatballs, chicken and bacon pie.

Science has involved dissecting fish and flowers and labelling their features!

Matthew our therapist, has visited the class entertaining us with his magic tricks and teaching our class new instruments to play.

In Outdoor Education, we have been learning to light fires safely.

# HACKPEN

## Term 5 with Ant, Sharon & Ollie

In a relatively short term there isn't a huge amount of information to populate for the Hackpen newsletter. However, one big piece of news is that as a class, we have made our return to Lake 32 for watersports in our outdoor education lessons. We have once again been honing our paddle skills in both kayaks and stand up paddleboards. Jacob has shown great competency in a kayak, mastering different strokes to gain more control of his boat. The temperature of the water has been around 18 degrees, which when in a wetsuit, is rather pleasant especially considering the warm weather we've been experiencing.

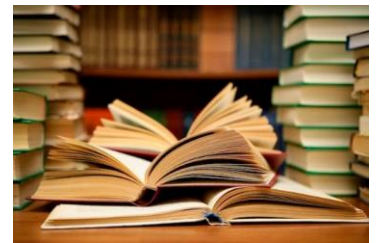

In SMSC we have been learning all about the middle east, in particular the country of Qatar and the upcoming Winter Football World Cup. Upon learning about the climate, the boys decided it would be far too hot for them to live there. Lover of the cold and wet, Sharon was positively frightened at the thought of even setting foot out in those temperatures.

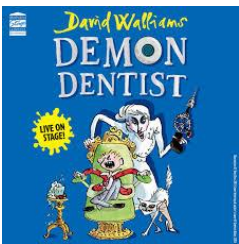

**FIFA WORLD CUP  
Qatar 2022**

Cason and Jack continue to make excellent progress in maths with both now completing their 3<sup>rd</sup> work book of the year. Keep it up!

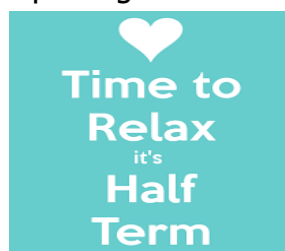

The reading has really taken off in Hackpen class this term with all boys getting involved and earning prizes for every fifth read of the class book, Demon Dentist by David Walliams.

Cason also received his 3<sup>rd</sup> reading book of the year as he continues to enjoy reading in his spare time.

Finally, this week has seen a new addition to Hackpen class in Oliver moving up from Alton-Barnes class, he has been a great new member, getting involved and by being an all round friendly pupil. We look forward to reporting more on his achievements.

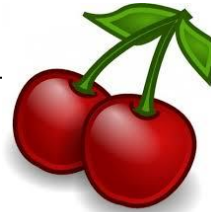

# ALTON BARNES

Term 5 with Ron & Kariss

Give me  
more fruit.

Smoothie Time  
We have been making breakfast smoothies this term, thinking about how we can be more healthy with our diet especially getting Jack to eat more fruit.

## Connor's Super Smoothie

1 Mango  
Thick Slice of Pineapple  
1 Banana  
1 Orange  
200ml Apple or Orange Juice  
Handful of Oats

welcome  
★ TO THE ★  
TEAM ★

Welcome to Kariss who has joined us as LF to Alton Barnes. She has very quickly become part of Team Alton Barnes, keeping Ron in line and helping the boys. It is like she's been here forever.

# MARLBOROUGH

## Term 5 with Ben, Becky & Vas

We have had such a busy, short-term that it'll be great to have a break and catch our breath!

Our SMSC country this term is Iran, we have been comparing their way of living and ours.

For outdoor education, we have made a welcome return to Lake 32 for SUP boarding & kayaking.

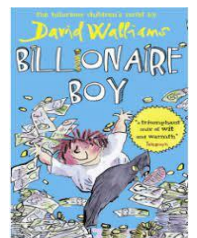

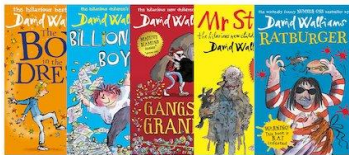

Our raised bed in the poly tunnel area now has runner beans, beetroot and sweetcorn planted out and we are experimenting with growing melons under cover.

We also took a trip to Diddly Squat Farm, from the TV series 'Clarkson's Farm' which the boys have watched all the way through during rainy days when they can't go outside.

Our author for the next 2 terms is David Walliams & we are reading Billionaire Boy as a class. We hope to finish it by the end of the summer term.

Wishing you all a peaceful break.

Ben, Becky & Vas.

# CHERRILL

## Term 5 with Andy, Tom & Pete

Term 5 in Cherhill has been a whirlwind of adventure and learning.

Back to the lakes for some SUP journeys and reminding ourselves of all the skills learnt on previous trips, the wind in (some) of our hair (not Tom or Pete) and not a care in the world. Outdoor Ed has also allowed our group the time to start making some amazing developments to the Outdoor classroom area. Harley and Maty have enjoyed starting the groundwork to make some cold water plunge pools for all of the students to use for their wellbeing.

In English, we have had Drew making amazing progress with his phonics and spellings and the effort he's put in has been brilliant to see. The rest of the crew have been making more progress with their GCSE studies and working on past exam papers for practice for the real thing.

In Maths, we've had a wild array of different areas being addressed by each boy. Phin has been studying compound measures and sequencing, Drew has been challenging himself with entry level test papers, while Maty has been doing work on decimals and fractions.

Drew has been making great progress at college with his bricklaying and woodwork.

In food tech, Caleb, Drew and Maty have all been making their final meal for their assessment as well as pies and smoothies. Yummy yum yum!!!

In art, Phin has been picking illustrations from a book to draw in his own image and doing a grand job with it too.

Harley has been engaging well in his college exploits and planning a trip around the UK for a German family of 4, which he has really enjoyed exploring all the places they can go and activities they could do.

# WESTBURY

## Term 5 with Anton & Nathan

Another busy term for Westbury. Even though it has been a short one, the boys have been doing lots of great things.

Starting off with a great success. All boys have now completed their entry level English which they have been working really hard towards this year. It finished off with an exam, which all boys trying their hardest and did the best they could, which is amazing.

College has been going great again this term for all the boys. Connor and Reagan have been doing some amazing work at Chippenham College on their construction course. Not only have they been doing bricklaying, but trying their hand at tiling, plastering and carpentry as well.

Brandon and Bennito have been having an amazing time at Lackham. Getting involved in all aspects of the jobs. From feeding and mucking out, to cleaning the dairy. Both boys are really getting involved and can't wait to go every week. They have really enjoyed being with the lambs and with the cows in the dairy.

In SMSC, we have been learning about the Middle East.

The boys have got involved in finding out different things about the different countries and how they are different to the one we live in.

Another great term for the boys and we are all looking forward to what next term has to offer.

# A DAY AT BUCKINGHAM PALACE

Notton House Academy have been running the Duke of Edinburgh Award for almost 2 years. In that time, we have seen 5 boys complete their full Bronze award, as well as 2 others achieve the Bronze certificate of achievement.

We currently have 7 boys signed up for this year's Bronze award along with 3 boys attempting the next level and are working towards completing their Silver, which involves a lot of resilience and team work to complete the 3-day expedition.

"suited & booted" staff were invited to receive the DofE plaque, which is on show in the reception area at Notton.

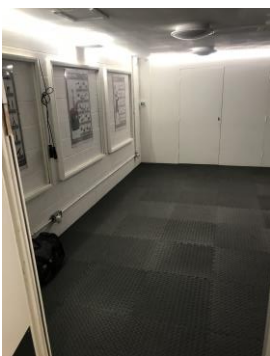

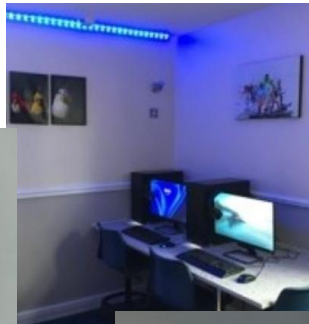

We are hoping that all the current students complete and continue their journey with the long-term dream of getting some boys through to their gold award.

# SITE TEAM

With Ben & Steve

The site team and visiting contractors have been busy making the site better than ever. The vehicles are cleaner, there's new lighting in the dining room, walls have been painted, the recycling bins have arrived, and there's a new en suite for staff! These are only a few of the many improvements that have taken place.

Also, been busy updating the fitness suite with new flooring and equipment.

# KAI'S RESTAURANT

Kai opened a restaurant in lower school and asked staff for their orders. Kai picked the items that staff had asked for and put it on the order sheet. Kai also picked items that he would like to eat himself and placed them on the order sheet.

Key Learning;

- Recognising items of food- Matching verbal words with pictures.
- Number of items and pronunciation of food

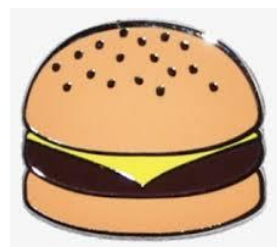

## Making Burgers

Kai made his own burger; he cut out the items he wanted from the sheet and explained to Lisa what he had in his burger.

He could tell Lisa it was a beef burger and not a chicken burger.

Kai told Lisa what he didn't like in his burger. He doesn't like mushrooms, lettuce, tomatoes, or onions.

Key Learning for Kai;

- Cutting skills – Kai could do this without help from staff.
- Pronunciation and sounds of words.
- Recognising items – likes and dislikes.

Community Children's  
Health Partnership

## Has your child had their MMR (measles, mumps and rubella) vaccine?

**If your child is aged 5-11 and has missed one or both  
of their MMR vaccines, it's not too late.**

The School Immunisations Team is running the following  
MMR catch-up sessions in Bristol and Weston this half term:

**Monday 30 May**

10am to 3pm  
St Pauls Learning  
Centre BS2 8XJ

**Tuesday 31 May**

12:30pm to 4:30pm  
For All Healthy Living  
Centre Bourneville  
BS23 3SJ

**Wednesday 1 June**

12:30pm to 4:30pm  
Easton Christian  
Family Centre  
BS5 0SQ

**Book your child's vaccine:**

- Call 0300 124 5515
- Email [sirona.sch-imms@nhs.net](mailto:sirona.sch-imms@nhs.net)

Service provided by

**Sirona**  
care & health

# FUNDRAISING FOR UKRAINE

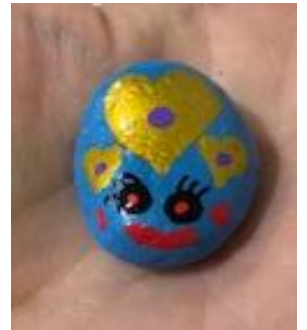

Michelle, our Headteacher, has painted pebbles to raise money for Ukraine, selling them in Notton House Academy reception for 50p.

*I am your Pebble Pal, please take me home,*

*And from now on, you'll never be alone.*

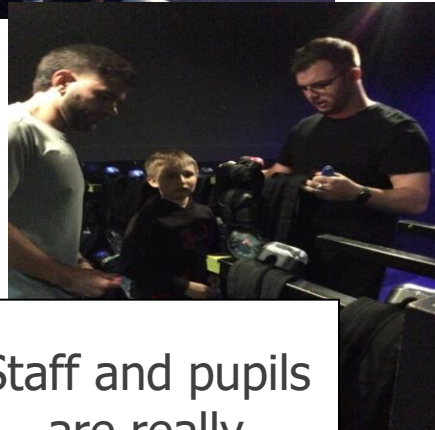

*I am your Pebble Pal, please take me where...*

*Someone else can find me there!*

# EVENING FUN IN LOWER SCHOOL

RED TEAM		BLUE TEAM	
3	DAVID	1	WILL
4	JIE	2	CRAIG
6	CHARLIE	3	MASON
7	MAX	4	
		5	
		6	
		7	

Staff and pupils are really enjoying the evening activities such as bingo, nature walks and even a trip to laser quest!

fun activities

# OUR FOREST SCHOOL AREA

Staff have been working hard to redesign the forest schools area, to make it safer, and more accessible to pupils. We now have five fire pits, a clear pathway to different areas, and a lovely covered classroom.

**“Life is like riding a bicycle – in order to keep your balance, you must keep moving.”**

*Albert Einstein*

...with a little help along the way.

**NHA Website Changes**  
**We now have two new pages on our website!**  
**Join our Team, and Staff Well-Being and Staff Voice!**  
**See below for more information!**

**JOIN OUR TEAM!**

Please use this page to learn more about career opportunities at Notton House Academy. All staff at Notton, regardless of job role, are valued and treated equally. We all contribute towards academy improvement, and all successes personally, and professionally, are celebrated. Most of all, our staff work together to improve the lives of the young people who attend the academy. We all have a duty to keep them safe, cared for, and feel a sense of belonging.

**BENEFITS FROM WORKING AT NOTTON**

**Staff Well-Being**

Every term, staff are given dedicated time for optional well-being activities, to network, collaborate, team-work, and to have fun! Activities and events that have taken place are: treasure hunt, quiz, bingo, local walk, yoga, dance workshops, art therapy, and more.

Once a month, staff have the opportunity to access sand tray and music therapy with Matthew Hemson.

<https://www.therapeuticsongwriting.com/blank-1>

In addition, at the end of every term, there is a prize draw, where all staff have the chance to win a prize if their name is selected.

The leadership team also nominate staff for a personal letter or postcard home, for exceptional effort, teamwork, kindness, and support given to others.

At Easter, all staff receive a chocolate Easter egg!

Finally, at NHA, we use the Schools Advisory Service.

<https://schooladvice.co.uk/staff-wellbeing/>

This gives staff free and confidential advice to support their well-being, whether they are in work or absent. Click on the attachment below for more information.

All staff are valued and respected, which is why we invest so much time and energy into ensuring staff mental health and well-being, is considered equal to student mental health and well-being.

# **STAFF WELL-BEING AND STAFF VOICE**

At Notton House Academy, all staff are committed to the education, safety, and care, of the children and young people. We all contribute to academy improvement, by working as a team, supporting and challenging each other, to ensure best practice is always in place.

## **STAFF WORKING GROUPS**

At Notton, staff voice is central to well-being, and academy improvement. There are a range of staff committee groups to represent different aspects of academy life, and the aim is to ensure staff voice drives change and helps the academy move forward.

## **EQUALITY, DIVERSITY, AND INCLUSION**

*EDI (Equality, Diversity and Inclusion) ensures fair treatment and opportunity for all. It aims to eradicate prejudice and discrimination on the basis of an individual or group of individual's protected characteristics.*

### **What is equality?**

At its core, equality means fairness: we must ensure that individuals, or groups of individuals, are not treated less favourably because of their protected characteristics.

Equality also means equality of opportunity: we must also ensure that those who may be disadvantaged can get the tools they need to access the same, fair opportunities as their peers.

### **What is diversity?**

Diversity is recognising, respecting and celebrating each other's differences. A diverse environment is one with a wide range of backgrounds and mindsets, which allows for an empowered culture of creativity and innovation.

### **What is Inclusion?**

Inclusion means creating an environment where everyone feels welcome and valued. An inclusive environment can only be created once we are more aware of our unconscious biases, and have learned how to manage them.

### **What are the protected characteristics?**

The following are the legal protected characteristics, under The Equality Act 2010:

Age, Disability, Gender reassignment, Marriage and civil partnership, Pregnancy and maternity, Race, Religion or belief, Sex, Sexual orientation

Discrimination on the grounds of any of these characteristics is illegal. Discrimination can take many forms including direct discrimination, indirect discrimination, bullying, harassment and victimisation.

Once a term, a group of staff meet to ensure that all aspects relating to equality, diversity, and inclusion, are represented across the 24-hour curriculum, and also to ensure pupils, families, staff, and visiting professionals, are supported and valued in all that they do, value, and believe in. The group also adhere to the Equal Opportunities Policy, and agree the Equality Objectives for the year. Finally, the group play a key role in planning and organising the termly SMSC Events, to develop staff and pupil Cultural Capital.

#### Committee Members

Martyn Watkins, Well-Being Lead

Rose Makepeace, Care Staff

Craig Pepper, Care Staff

Anton Brooks, Teacher

Ben Shuker, Teacher

Rebecca Roberts, Learning Facilitator

Niro Thusananth, Care Staff

### **HEALTH, SAFETY, AND WELL-BEING**

Once a term, a group of staff meet to ensure safety and well-being is always a top priority, to keep staff, students, families, and visitors, safe. Safety and Safeguarding always come first.

The meetings ensure policies are in place, are effective, and are being adhered to, as well as, undertaking site walks, health and safety audits, and planning well-being events for staff and pupils.

The headteacher is a committee member, and she brings information regarding staff well-being, including assaults, injuries, accidents, and how well-being is prioritised by the leadership team.

#### **Committee Members**

Chair: Nathan Dunford, Learning Facilitator

Vice Chair: Tom Gudgeon, Learning Facilitator

Note Taker: Oliver Rew, Learning Facilitator

Ben Reysenn, Estates Manager, Lead for H and S

Michelle Reysenn, HT

Anton Brooks, Teacher

22**

## What makes a good relationship?

### RESPECT

A friend will never push you to do something you're not comfortable doing.

### TRUST

A friend should trust you to be around other friends without feeling jealous.

### EQUALITY

If you're being controlled or you're afraid of your friend/partner, something is wrong.

### SUPPORT

A friend should be happy for you when good things happen and sad for you when bad things happen.

### IDENTITY

Being with someone shouldn't feel you're losing your own identity.

### CONSENT

No means no, even if you usually say yes, even if you said yes before but you've changed your mind.

This year, Hengrove Play Park is celebrating its 20th anniversary and will be marking the occasion with a free family fun day on Wednesday 1 June, 11am to 3:30pm.

At the family fun day there will be an entertainment stage hosting:

- puppet shows
- bubble artists
- party games
- magic shows

There will also be:

- a storytelling corner in the amphitheatre
- a free face painting truck by the park entrance

Children are encouraged to wear fancy dress for the family fun day. There will be a prize for the best costume, announced at 1:45pm

<https://www.bristol.gov.uk/museums-parks-sports-culture/hengrove-park>

## **Please can I remind all families of the Uniform Policy:-**

### **Uniform:**

#### **School Uniform**

A compulsory Notton House polo shirt (Royal Blue)

A compulsory Notton House sweatshirt (no hood) or grey fleece

Black or Grey Trousers (No tracksuit bottoms allowed except for P.E. lessons)

Black Shoes (no other colours permitted)

### **P.E. Kit**

Students are permitted to wear their own PE kit but this must not include items with large logos.

Trainers (no black soles are permitted for indoor P.E. lessons)

Trousers can be purchased from supermarkets such as ASDA or Tesco.

School polo shirts, sweatshirts and fleeces are available for purchase directly from school. All the garments offer excellent value for money and are made from hard wearing, machine washable fabrics, embroidered with our logo.

### **Price List**

<b>Item</b>	<b>Size</b>	<b>Cost</b>
Polo Shirt	9/10, 11/12	£6.50
Polo Shirt	S/M/L	£8.50
Sweatshirt	12/13	£7.00
Sweatshirt	S/M/L/XL	£8.50
Fleece	Youth L/XL	£11.00
Fleece	S/M/L/XL	£13.70
